

## Early Journal Content on JSTOR, Free to Anyone in the World

This article is one of nearly 500,000 scholarly works digitized and made freely available to everyone in the world by JSTOR.

Known as the Early Journal Content, this set of works include research articles, news, letters, and other writings published in more than 200 of the oldest leading academic journals. The works date from the mid-seventeenth to the early twentieth centuries.

We encourage people to read and share the Early Journal Content openly and to tell others that this resource exists. People may post this content online or redistribute in any way for non-commercial purposes.

Read more about Early Journal Content at <http://about.jstor.org/participate-jstor/individuals/early-journal-content>.

JSTOR is a digital library of academic journals, books, and primary source objects. JSTOR helps people discover, use, and build upon a wide range of content through a powerful research and teaching platform, and preserves this content for future generations. JSTOR is part of ITHAKA, a not-for-profit organization that also includes Ithaka S+R and Portico. For more information about JSTOR, please contact [support@jstor.org](mailto:support@jstor.org).

## The Guide to Nature

Edited by Edward F. Bigelow

A Profusely Illustrated Monthly Magazine for  
Adults Devoted to Commonplace Na-  
ture with Uncommon Interest

### EDUCATION AND RECREATION

For all students and lovers of nature.  
For people who see and think.  
For those who enjoy life in the country or su-  
burbs.  
For growers of plants and pets.  
For amateur astronomers and all who "look up  
to the stars."  
For users of the microscope peering into the  
wonders of minute life.  
For portrayers of nature interests and beauties  
on the sensitive plate.  
For members of The Agassiz Association.  
For readers of the best nature literature.

Not Emotional and Sensational but Thoroly In-  
formational and Practical. Definite  
Guidance for Those Who  
Wish to Know
